**Re: Draft U.S. Patent Application for
HELICALLY SHAPED ELECTROPHYSIOLOGY CATHETER
Inventors: Hill et al.**

Dear Dr. Chan:

Pursuant to your request I am forwarding another copy of the above-referenced draft application for review by the inventors. Each of the inventors should carefully review the draft and provide us with their comments. In addition, each of the inventors need to write-in their residence address and citizenship where indicated on the *Notice to Inventors When Reviewing this Draft Application*.

We will finalize the application once we have received comments on the draft. Should you have questions, please call.

Sincerely,

Nita J. Miller
Patent Assistant

Ship a New Package

Use of this system constitutes your agreement to the service conditions in the current FedEx service Guide, available upon request.

FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your rights to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, attorney's fees, costs, and other forms of damage whether direct, incidental, consequential, or special is limited to the greater of \$100 or the authorized declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$500, e.g. jewelry, precious metals, negotiable instruments and other items listed in our Service Guide. Written claims must be filed within strict time limits, see current FedEx Service Guide.
